The five digit **class code number** indicates the class and section of the class you want to take. It is impossible to register for a class without this number.

Section numbers distinguish one section of the course from another.

Departments have the option, based upon enrollment, to cancel and/or add sections.

Units are comparable to course credit hours

General Education – Requirements

The **SJSU General Education Program** incorporates the development of skills, the acquisition of knowledge, and the integration of knowledge through the study of facts, issues, and ideas. Regardless of major, all who earn undergraduate degrees should share common educational experiences, as they become university scholars. In combination with major, minor, and elective courses, the General Education curriculum should help students attain those attributes found in an educated person.

General Education Program Objectives

Students who complete the General Education curriculum should be able to demonstrate:

- a broad understanding of the sciences, social sciences, humanities, and the arts;
- an ability to communicate ideas effectively both in speaking and in writing;
- the capacity for critical and creative thinking;
- an understanding of ethical choices inherent in human development;
- an ability to assess information (information literacy);
- an ability to address complex issues and problems using disciplined analytic skills and creative techniques;
- multi-cultural and global perspectives gained through intellectual and social exchange with people of diverse backgrounds and experiences;
- the characteristics of “intentional learners” who can adapt to new environments, integrate knowledge from different sources, and continue learning throughout their lifetimes; and
- the capacity to participate as a socially responsible member of civic, professional, cultural, and other communities.

The advancement of academic discourse requires civility and a respectful attitude toward all in the expression and consideration of a variety of viewpoints. All courses shall reinforce the ethical responsibility of students and instructors to acknowledge respectfully the learning styles and forms of expression of individuals and members of all groups.

General Education – Core (39 Units)

Basic Skills of an Educated Person

These courses build key skills for learning – communication and critical thinking. An educated person communicates ideas effectively both verbally and in writing. Being able to organize and express ideas is a key part of learning. An educated person must also have strong reasoning powers in order to analyze critically all types of information. The skills courses within General Education provide an opportunity for students to gain and enhance critical communication and analytical skills.

A1	Oral Communication	3 units
A2	Written Communication 1A	3 units
A3	Critical Thinking	3 units
B4	Mathematical Concepts	3 units

12 units

Basic Knowledge of an Educated Person

In these courses, students gain the fundamental knowledge of an educated person. Students have opportunities to demonstrate an appreciation of the fundamentals of science, arts and letters, and the forces that shape the individual and modern society throughout the lifespan. This fundamental knowledge is crucial to understanding more advanced topics, including a major field of study.

General Education – SJSU Studies (9–12 Units)

Integrated Knowledge of an Educated Person

In these courses, students become integrated thinkers who see connections between and among a variety of concepts and ideas. An educated person applies concepts and foundations learned in one area to other areas as part of a lifelong learning process. These courses help students to live and work intelligently, responsibly, and cooperatively in a multicultural society and to develop abilities to address complex issues and problems using disciplined analytical skills and creative techniques.

General Education – Requirements

Policies

1. All students must complete 51 units of approved GE courses with letter grades. If a requirement is waived without unit credit, additional approved GE courses must be taken to complete a minimum of 48 GE units.
2. All three areas described below must be completed by all students: Core GE (39 units), SJSU Studies (12 units) and American Institutions (0-6 units).
3. Transfer students may satisfy all Core GE by completing an Intersegmental GE Transfer Curriculum (IGETC) or a CSU 39-unit breadth certification prior to transfer. Second baccalaureate students satisfy Core GE with their first baccalaureate.
4. All students must satisfy SJSU Studies at SJSU regardless of GE completed at other institutions. Exceptions:
 - Written Communication II (100W) may be satisfied prior to transfer, unless also specified as a course requirement in the major.
 - A complete 48 unit GE Certification from another CSU is submitted, showing lower and upper division completed.
5. If a course is listed as a sequence (AB), the entire sequence must be completed to satisfy the requirement.
6. Written Communication (IA), Mathematical Concepts, Critical Thinking and Oral Communication courses require a minimum grade of “C.”
7. To find approved courses, check the GE designator listed for the requirement. This designator is printed by each GE class section in the SJSU Schedule of Classes.
8. All GE courses must be on the approved list of the California Community College (CCC), California State University (CSU) or University of California (UC) for CSU Breadth Requirements or the Intersegmental General Education Transfer Curriculum (IGETC) where and when the course is taken.
9. The following GE courses require prerequisites to enroll:
 - Written Communication IA and IB: Satisfaction of the English Placement Test (EPT) requirement
 - Mathematical Concepts: Satisfaction of the Entry Level Math Test (ELM) requirement
 - SJSU Studies: Writing Skills Test (WST)
See the *SJSU Schedule of Classes* or the *SJSU Catalog* for additional information about these tests.
10. Subsequent to initial completion of all CSU general education requirements (at the lower and upper divisions), a student may not be required to satisfy further exclusively general education requirements associated with an additional major program or baccalaureate degree.
11. Complete information on specific requirements and approved courses is found each semester in the *SJSU Schedule of Classes*.
